**About CHAISE**

CHAISE (Blockchain Skills: A Learning, Education, and Training and Skills Exchange Platform) is a European project that aims to address the skill mismatches and shortages in the Blockchain sector. The project is funded by the European Commission and involves 23 partners from across Europe. CHAISE's core mission is to set the European agenda on learning, education, and training in Blockchain, ensuring the highest quality, and creating new opportunities for education and training providers.
